Child(ren): _____

Preferred Door Entry Code: _____

Please select a 4-digit numerical keyless entry system door code for individuals authorized to drop-off or pick-up your child(ren) on a regular basis.

(Individuals who do not come regularly should be asked to ring the doorbell to enter the building.)

This is not the same number you will use to verify attendance of your children – this code is used to gain access into the building, so it is important for the safety of all our children that only individuals who absolutely require a code are authorized by you to have one.

Please do not share your code and do not hold the door open to allow others without a code to enter the building.
